ADMINISTRATION

Dear Plainsman:

When school started this year there were several new faces among the faculty. They were Betty Whalen, Steve Abbott, Bob Mason, Joe Reynolds, Fred Sprowell, and Charles Childs.

We were stunned by the sudden death of Mr. Ed Hitchcock, one of our most beloved teachers, who had taught in Laramie since September, 1918.

We wish Mr. J. E. Thayer, our superintendent who is retiring, many happy years on his farm.

JUNIORS

Dear Juniors,

When your class rings arrived, you were very excited because it was one of the biggest moments of your junior year when you placed, for the first time, your class ring on your finger.

In the years to come this beautiful ring will recall many of the magic moments of high school and you will never really, in spirit, remove it from your third finger.

It is the symbol of all your happy years in Laramie High.
